

Early Summer Newsletter 2024

Hello Supporter of Uni Pres Kindercottage

As the school year winds down, we're gearing up for an exciting summer at our Little Learners' Summer Program! This season, we're focusing on boosting our children's math and reading skills—areas where our community's scores often lag behind. With your help, we can make a meaningful impact on their education.

You can contribute to our cause by donating math games suitable for ages 3-5 and 5-12. We also welcome Amazon or Walmart gift cards, which will allow us to purchase necessary resources. Additionally, we need journals, pencils, copying paper, and other writing materials for our book reports and writing clubs.

Our goal is to ensure that our children not only maintain but also enhance their cognitive skills over the summer, giving them a strong start when school resumes. Your support in providing these essential resources is vital to achieving this goal.

If you have any questions or need more information on how you can help, please contact Ms. Aimee or Mr. Rose at 618-874-6505.

Thank you for considering our request and for your continued support of our Little Learners' Program!

Warm regards,

A Successful Night of Trivia

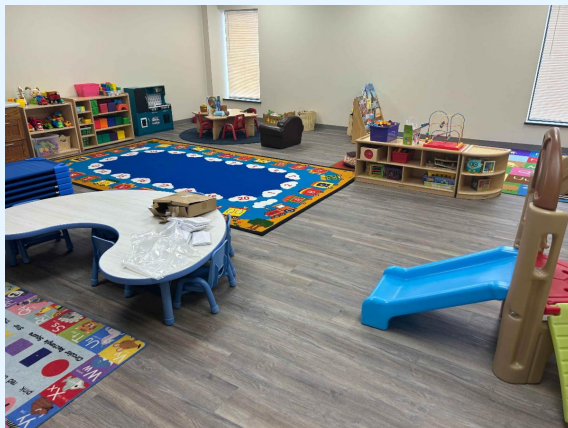

We want to extend our heartfelt thanks for your time, donation, and participation in our First Trivia Night. The evening was filled with laughter, deep thinking, and exciting prizes. We cherished the opportunity to meet new people and reconnect with familiar friends, all while fundraising for our little learners at UPK.

While this message does not list each person, church, or organization individually for their contributions—whether it was donating gift items for the silent auction or participating in the games that added to the fun of the night—we want you to know that we recognize and deeply appreciate your support. The love you have shown for UPK is immeasurable, and every dollar

raised will support a worthy cause at our center.
Once again, thank you. May God bless you as you continue to bless others.

Thank You IFF For Providing Quality Facilities

The staff at Uni-Pres Kindercottage would like to extend a heartfelt thank you to IFF and Interface Construction Corporation for their outstanding renovation of our new Infant, Toddlers, and Two-Year-Old Room. Your hard work and dedication have created a wonderful space that will greatly benefit our youngest learners. Thank you for your incredible financial support and labor of love for our little learners!

We're excited to announce that you can now make donations to Uni-Pres Kindercottage through our Cash App or by scanning the UPK QR code available on our website at www.unipreskindercottage.org. Your generous contributions will help us continue to provide quality early childhood education and support to our community. Thank you for your continued support!
